

Transfer of Participation (Expiry/Termination of Registered Forestry Right or Lease)

Emissions Trading Scheme (Forestry) – Post 1989

ETSP89TE.6

Use this form if you are a party:

- from whom post-1989 forest land that is registered in the Emissions Trading Scheme (ETS) is transferring as a result of the expiry or termination of a registered forestry right, registered lease or Crown conservation contract (the Transferor); or
- to whom post-1989 forest land that is registered in the ETS is transferring as a result of the expiry or termination of a registered forestry right, registered lease or Crown conservation contract (the Transferee).

NOTE: This notice must be submitted within 20 days of the date of transfer.

As a result of the transfer of participation, the Transferee becomes responsible for the unit balance of the registered post-1989 forest land being transferred, and compliance with all requirements under the Climate Change Response Act 2002.

If as a result of expiry or termination the Transferor no longer has any post-1989 forest land in the Emissions Trading Scheme the Transferor will cease to be a participant and will be removed from the New Zealand Emissions Unit Register.

Transfers of multiple titles in a single transaction must have identical Transferors and Transferees

All information is **MANDATORY** unless indicated as 'optional'.

4 Transferee declarations

Please tick to confirm that you understand each of the following statements:

- I understand that acquiring registered post-1989 forest land may have implications for my status as, or require me to become, a Field Measurement Approach participant, and/or may affect the minimum number of permanent sample plots required to be located on my forest land.
- It is very important that you have completed this application or notification accurately and truthfully. If you provide any altered, false, incomplete or misleading information in or with this application you commit an offence under the Climate Change Response Act 2002 and if convicted you may be liable to imprisonment or a fine up to \$50,000.
- If information supplied within your application is required by the Inventory Agency or Registrar of the New Zealand Emissions Unit Register to carry out their functions under the Climate Change Response Act 2002, then the Chief Executive responsible for the operation of the Emissions Trading Scheme must supply that information to them. This information can only be used by the Inventory Agency or Registrar of the New Zealand Emissions Unit Register for the purposes of carrying out their functions under the Climate Change Response Act 2002.

MPI will not process this form unless all declarations are ticked, and the form is signed.
